

Prodigy Finance-GyanDhan Scholarship

Started with an aim to make education financing accessible, GyanDhan has helped tens of thousands of students receive higher education loans. In continuation with our aim to make education abroad more accessible, we have partnered with Prodigy Finance to launch two scholarships each worth \$2500 for students pursuing higher education overseas.

The GyanDhan-Prodigy Finance is a one-time scholarship award that will be given to students at the start of the Fall 2023 academic year. Two students stand a chance to win a scholarship worth \$2500 each. The scholarship is merit-based and will be presented to students with an excellent academic record and calibre.
